## Reclining Bath Lift

*Reclining Backrest  
Options for Children*

**Enjoy a soothing, relaxing bath - safely, independently & in comfort!** If you have difficulty getting in and out of the bath tub, a Neptune bath lift is the safe way for you to enjoy the therapeutic benefits of soaking in a warm bath: soothe aches and pains, ease stiff joints, and relieve stress. Simple to use, at the push of a button the Neptune will take you safely down into the tub and bring you back up again.

**The new Neptune Reclining Bath Lift** is ideal for people who have extra positioning requirements (e.g. those with hip or spinal conditions) or for those who just simply want to lie back and relax in the tub! Weighing only 21 lbs, the Neptune Reclining Bath Lift is the *lightest* reclining lift on the market, making it very easy to move and handle.

- Adjustable backrest-recline at the touch of a button
- Plenty of legroom in the tub, even when fully reclined
- Extra-high backrest for increased head and neck support
- Battery powered by convenient, rechargeable battery
- Adaptable for children with a range of positioning accessories

# NEPTUNE

## Reclining Bath Lift

Lightweight, easy to transport

Compact, slim design

Hand Control

Knee Wedge

Pommel

Easy to clean

### Options for Children:

The Neptune Reclining Bath Lift is also well-suited for children (or small adults) who need extra positioning and support. It can be adapted with easy-fit accessories that provide extra postural support for the child while making the caregiver's job easier:

- Knee wedge • Pommel • Pelvic harness • Thoracic harness

### Lightweight/easy to move and handle:

Neptune bath lifts are the lightest on the market, so they are very easy to place in the tub. The Neptune's compact, slim design makes it very easy to store, easy to carry, and ideal to take with you when traveling.

### Ergonomic Hand Control:

The Neptune's thoughtfully-designed hand control has large up/down buttons that are very simple to operate, even for those with limited vision or hand dexterity and strength. A battery level indicator monitors when recharging is needed, and the Stop Descent™ feature will not lower the bather unless there is enough power to raise the lift.

### Advanced Hygiene Protection:

For superior hygiene, built-in antimicrobial protection prevents harmful bacteria and mould, often found in bathrooms. Plus, the Neptune's open base frame allows easy access for cleaning.

### Accessories:

- Slide & swivel aid
- Side flap protectors
- Height adaptor set
- Cover mats
- Carry bag
